

# M. MOHSIN ALI

MOBILE ENGINEERING LEAD | SENIOR ANDROID & IOS DEVELOPER

mohsinali-@outlook.com

## ABOUT ME

Senior Mobile Engineer with 8+ years' experience building and leading development of high-performance scalable native Android (Kotlin/Java) and iOS (Swift/Objective-C) apps, cross-platform and PWA solutions across OTT, fintech, and healthcare. Proven ability to manage delivery pipelines, optimize CI/CD workflows, and scale products to 1M+ users. Skilled in aligning technical execution with business strategy, fostering collaboration, and ensuring on-time delivery of innovative and secure mobile products.
